

Education Security

MCS Security
A DIVISION OF MCS SECURITY GROUP PTY LTD

When only the best will do...

MCS Security prides itself on the quality of service it provides to all its clients, ensuring its Security Officers protecting education sites are of the highest quality.

Vehicle Patrols

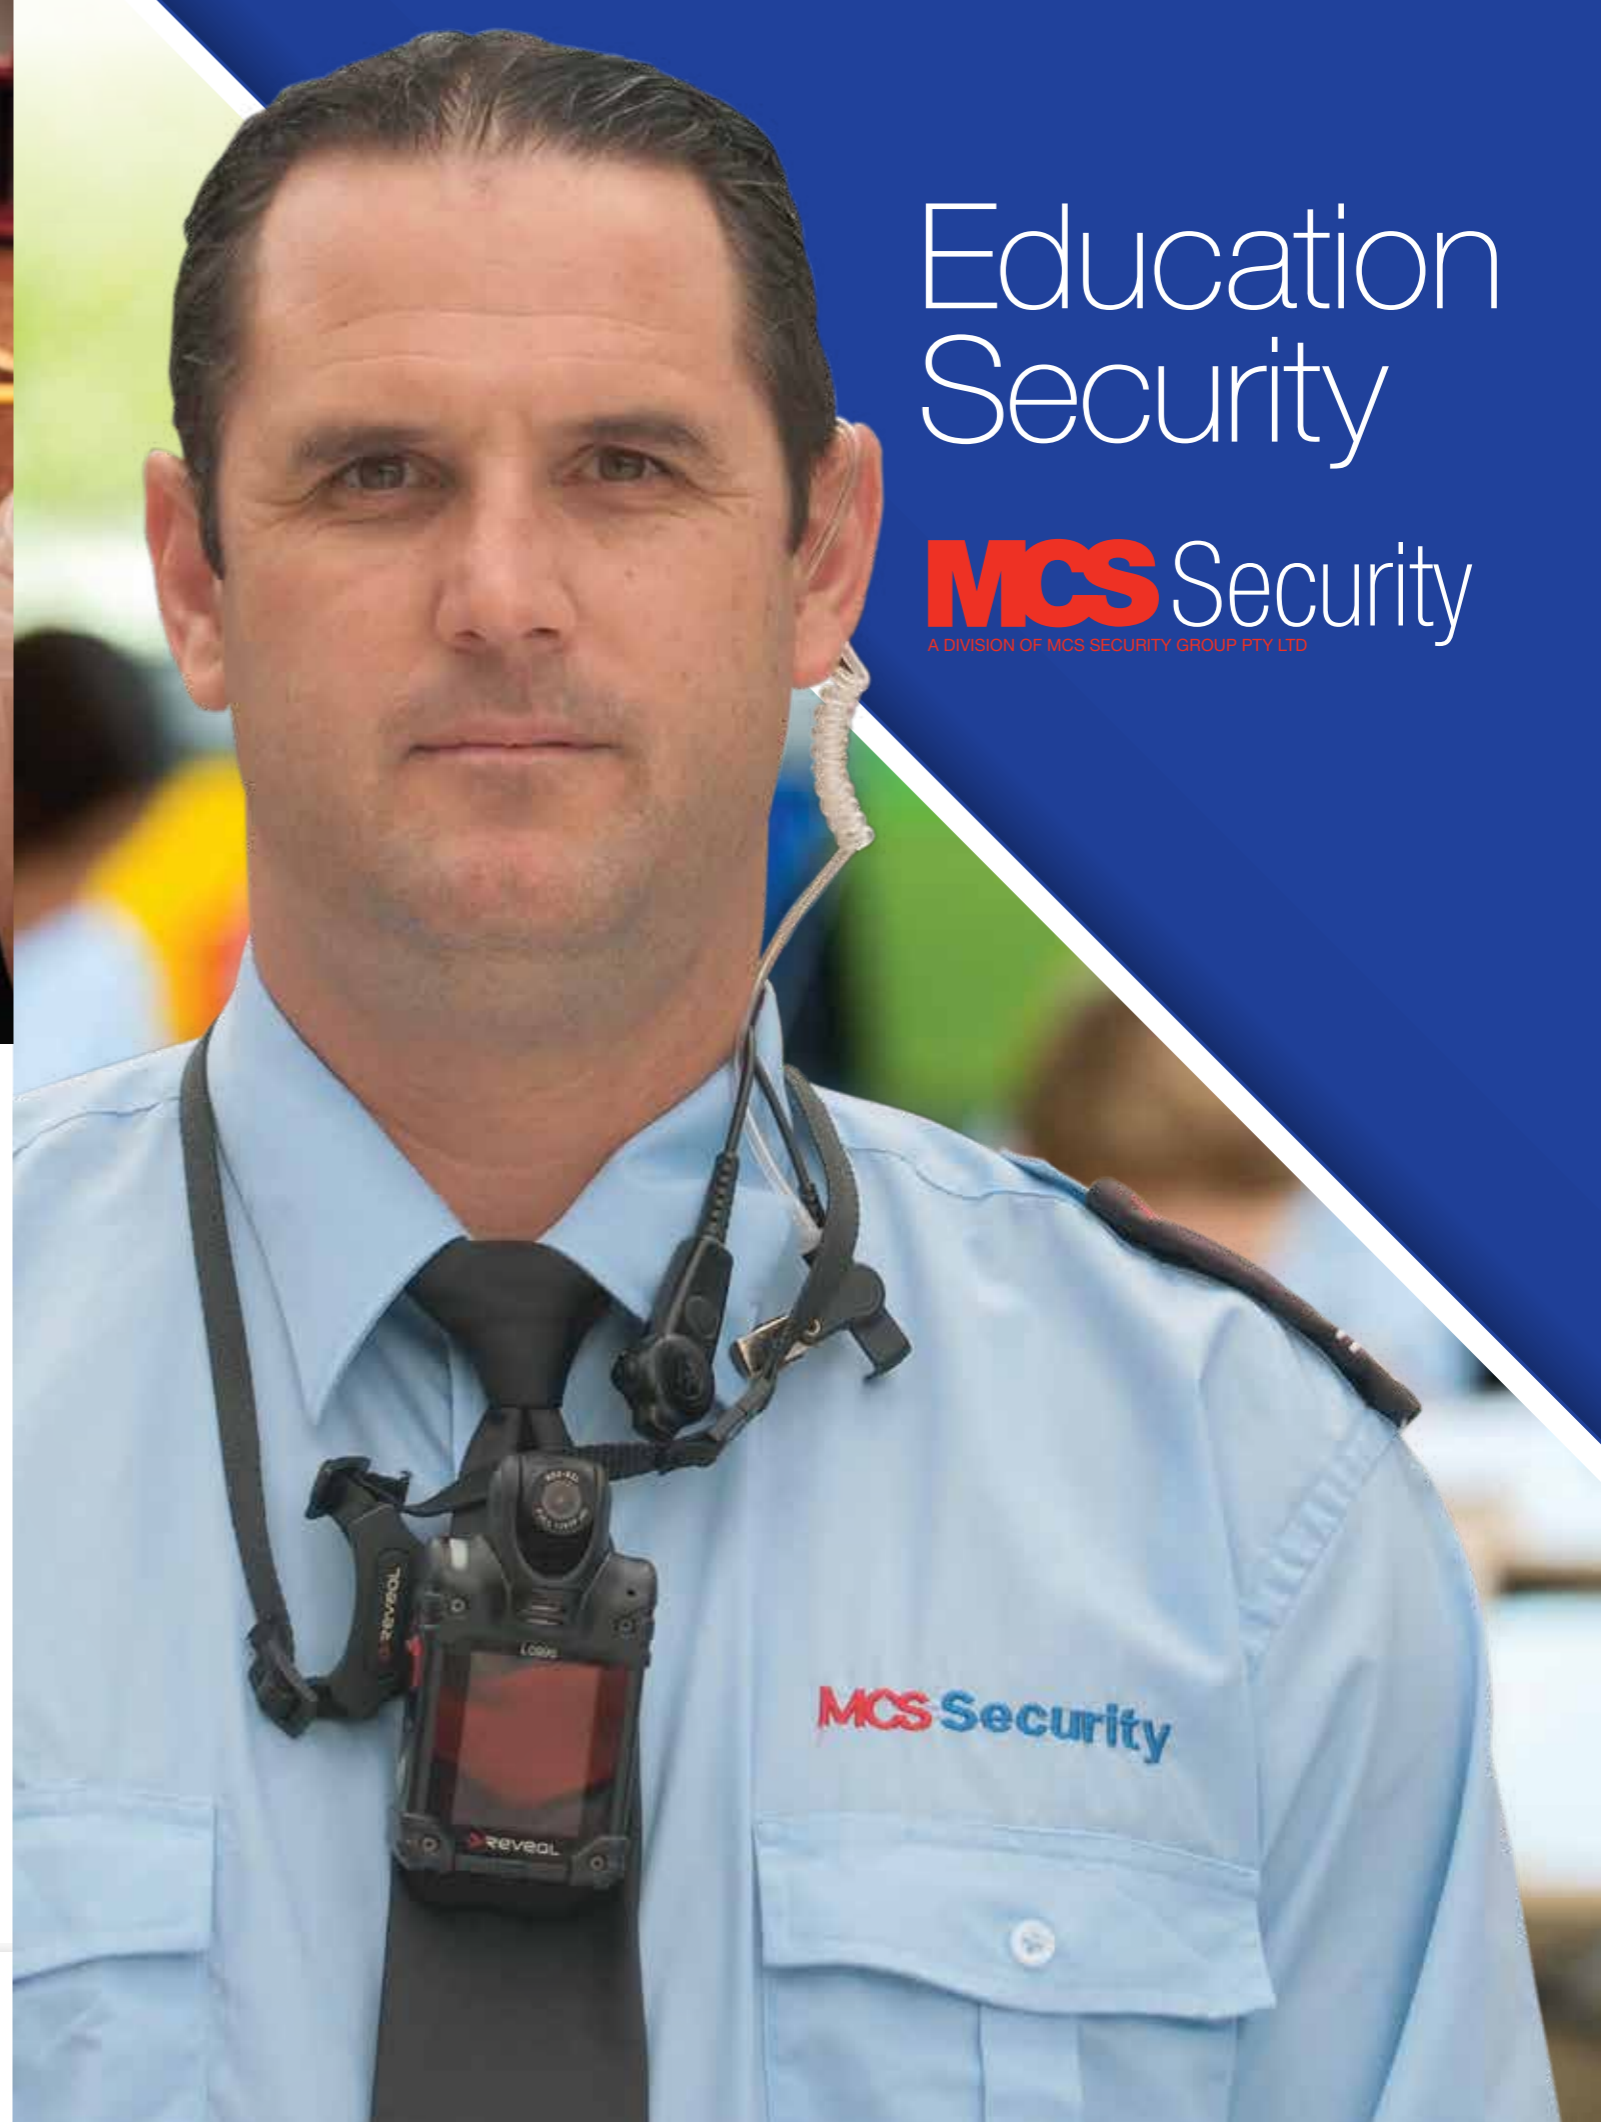

MCS Security can provide a marked security vehicle to regularly patrol your premises with a professional and experienced security officer.

The purpose of a vehicle patrol service includes:

- Periodic patrols of the premises with a uniformed officer, spotlights and emergency strobe beacons demonstrating a strong security presence
- Responding to alarms
- Checking buildings and fence lines
- Checking car parks and ovals
- Checking for suspicious persons and vehicles close to the perimeter
- Reporting any damage on premises
- Reporting maintenance issues to the Facility Manager
- Liaising with Head of Boarding, House Support Staff and Chaplain

EXCEEDING CLIENT EXPECTATIONS

Professional, reliable and vigilant security services provided by Perth's market leader in protection and prevention

"...providing professional and quality security services to the education sector..."

Static Security Officers Day/Night Shifts

MCS Security provides professional and experienced security officers to manage your security needs. Our team of highly trained officers will go above and beyond your expectations to deliver only the best security service. The duties of a Static Security Officer on night shift include:

- Conducting a full lock down of the premises
- Ensuring the alarms in all departments and areas are armed
- Checking all doors are closed and locked
- Checking all windows are closed and locked
- Ensuring all gates are closed and locked
- Ensuring all lights and A/C are off in class rooms and offices
- Checking for suspicious persons and vehicles close to the perimeter
- Checking fence lines for breaches
- Reporting any lost property located on premises
- Reporting any damage on premises
- Reporting maintenance issues to the Facility Manager
- Attending to alarms on site
- Conducting a thorough search to ensure no breaches
- Undertaking regular foot-patrols of the site

On day shifts, our static MCS Security Officers are well trained to manage all issues that take place on site including:

- Following instructions left by management
- Arming and de-arming rooms for teachers and boarding students
- Assisting staff to/from their classrooms or offices
- Assisting parents attending site for student matters
- Displaying necessary vigilance towards the legitimacy of public, contractors and others attending site
- Assisting with bus arrival and departures
- Events-Management duties when, for example, a Performing Arts or Sports Centre is being used
- Traffic management
- Manage pool activity if in use (students or public)
- Assist Chaplain where necessary
- Assist groundskeepers where necessary

Lock Ups and Unlocks/Foot Patrol Check

MCS Security provides professional and experienced security officers to lock up and unlock your premises.

The purpose of a lock up primarily includes:

- Ensuring alarms in all departments and areas are armed
- Checking all doors and windows are closed and locked
- Ensuring all gates are closed and locked
- Ensuring all lights and A/C are off in classrooms and offices
- Checking fence lines for breaches
- Checking for suspicious persons and vehicles close to the perimeter

- Reporting any lost property located on premises
- Reporting any damage on premises
- Reporting maintenance issues to Facility Manager
- Liaising with Head of Boarding, House Support Staff and Chaplain as needed

The purpose of an unlock primarily includes:

- Conducting a full unlock of the required doors in the premises
- Ensuring alarms in requested departments and areas are unarmed and gates are unlocked and opened
