MCS Security retains security service contract at Commercial Building in Western Australia.

MCS Services Limited (ASX: MSG) is pleased to advise that after a tender process the company has been successful in retaining the security services contract at a major commercial building in Perth CBD. The renewed contract is for a term of three years. The duties at this building are a mix of security and concierge duties along with tenant and contractor management requirements.

The aggregate gross value of this contract is approximately \$210,000 per annum.

MCS Services CEO Paul Simmons said "Brilliant that we have retained the contract at this prestigious building and again highlights the quality and professionalism of our site staff and our back up support team from head office. The retaining of this contract will assist in the company's drive into commercial building sector."

PAUL R. SIMMONS
CHIEF EXECUTIVE OFFICER
MCS SERVICES LTD

About MCS Services

MCS Services provides security services at major commercial property sites and retail shopping centres throughout the Perth metropolitan area and regional country areas of Western Australia. These security services include mobile patrols and response vehicle services. In addition, MCS provides electronic security services including the design, supply, installation and commissioning of security alarms, CCTV, biometric and access control systems to commercial, industrial and domestic sectors.
